## Why Might You Be Eligible for Reimbursement from KLM? 📞

⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

There are several reasons why you might seek reimbursement from KLM. Whether your flight was delayed, canceled, or there was a significant issue with the service provided, KLM has policies in place to compensate passengers under specific circumstances. Here are some of the most common scenarios where you may be entitled to reimbursement:

### 1. Flight Cancellations 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

If KLM cancels your flight, you are generally entitled to compensation or a refund, depending on the circumstances. If the cancellation is within the airline's control, such as technical issues or scheduling errors, you may be eligible for a full refund or compensation. If the cancellation is due to extraordinary circumstances such as weather, reimbursement might still be available under certain conditions, including meal vouchers or hotel stays. 📞

⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

### 2. Significant Delays 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

In cases where your KLM flight is delayed for a significant period (usually more than three hours), you may qualify for compensation. U.S. and EU regulations provide guidelines for delays, and passengers are often eligible for reimbursement in cases where the delay is caused by factors within the airline's control, such as mechanical problems or crew shortages. 📞

⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

### **3. Flight Schedule Changes 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584**

If KLM makes significant changes to your flight schedule, such as altering the departure time or rerouting your flight, you may be entitled to a refund or reimbursement if the changes are not acceptable to you. This applies especially when the changes affect the quality of your travel experience or your arrival time at the destination. 📞

⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584

### **4. Denied Boarding Compensation 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584**

If you are involuntarily denied boarding on a KLM flight due to overbooking, you are entitled to compensation and reimbursement. This compensation can include a refund of your ticket or reimbursement for expenses incurred as a result of the denied boarding, such as meal costs or hotel accommodations if the next available flight is the following day. 📞

### **5. Travel Restrictions or Cancellations Due to COVID-19 📞**

During extraordinary situations like the COVID-19 pandemic, many airlines, including KLM, offered reimbursements or flight credits due to travel restrictions. Passengers were often entitled to either a full refund or a travel voucher if their flight was canceled because of government restrictions or lockdowns. If you have been affected by COVID-19 travel disruptions, you may still be eligible for reimbursement, depending on when your flight was booked and the cancellation reason. 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584
