- **Travel Restrictions:** In case of unforeseen circumstances such as COVID-19 travel restrictions, passengers may be eligible for a refund.

While KLM offers refunds in many cases, eligibility depends on a variety of factors, including the reason for the refund, the type of ticket purchased, and the circumstances surrounding your

request. Let's break down who is eligible for a refund in different scenarios. 📞

⚡ → 1(866 → 694 → 6280) || +44 || 800 || <054> || 8541 Uk or || +52 || 800 || <351> || 0319 AU +61 180 095 6584

### 1. KLM Flight Cancellations 📞 ⚡ → 1(866 → 694 → 6280) || +44 || 800 || <054> || 8541 Uk or || +52 || 800 || <351> || 0319 AU +61 180 095 6584

If KLM cancels your flight, regardless of the reason, you are generally entitled to a refund. This rule applies even if you purchased a non-refundable ticket. Here's who is eligible for a refund in the case of a flight cancellation:

- **KLM Cancels the Flight for Any Reason:** If KLM cancels the flight due to operational issues, staffing shortages, or other factors within the airline's control, you are entitled to a full refund.
- **Flight Cancellation Due to External Factors:** If the cancellation is caused by reasons beyond KLM's control, such as bad weather or air traffic control issues, the airline is still obligated to offer a refund.

Refund eligibility also extends to any connecting flights that are affected by the cancellation, and you can request a refund for the entire trip if the cancellation causes you to miss other flights.

In some cases, significant delays (typically over 3 hours) may entitle you to a refund, especially if the delay causes you to miss important connections or events. However, compensation eligibility varies based on factors such as:

- **The Reason for the Delay:** If the delay is due to factors under the airline's control, such as technical issues, you may be entitled to compensation and a refund. If it's due to external circumstances like weather, a refund may not be granted.
- **Length of the Delay:** If the delay exceeds a certain time threshold (usually 3 hours or more), you may be eligible for compensation in addition to a refund.

Always keep track of the delay times and contact KLM customer service to inquire about your eligibility for a refund if the delay significantly impacts your travel plans. 📞

- **Accept the Changes:** You can choose to accept the modified flight itinerary and proceed as planned.
- **Request a Refund:** If the changes are significant and you no longer wish to travel, you can request a full refund.

Changes such as flight cancellations, schedule changes, or route adjustments that occur within a certain timeframe before your departure (usually within 14 days) generally make you eligible for a refund. 📞 ⚡ → 1(866→694→6280)||+44||800||<054>||8541 Uk or ||+52||800||<351>||0319 AU +61 180 095 6584
